COMMUNITY IMPACT

Community Solar Project Leads to Savings for Delawareans

A new community solar project in Sussex County will provide power for 750 Delaware homes. This project will lead to 20 percent savings for low and medium income households and at least 10 percent savings for other subscribers.

200 Year Old Church Adds Solar Roof For a Bright Future

200 year old St. Mark's Lutheran Church added 112 solar panels to its roof. The 30 percent ITC significantly reduced up front costs, leading to a quicker payback period for the congregation.
