31st for total installed solar capacity

3,412 solar jobs across the state

COMMUNITY IMPACT

Solar Microgrid Delivers Resilience to Adjuntas Residents

The town of Adjuntas sports five solar microgrids that provide 228 kW of capacity to local homes and businesses through the support of local organization Casa Pueblo. The microgrids help keep lights on during the frequent outages that plague Puerto Rico.

Coffee Farmer Captures Sunlight Alongside Crops

Through innovative solar mounts reaching above his coffee trees, Miguel Berdiel is now able to combat high energy costs on his Adjuntas farm and turn his attention to other challenges in recovering from Hurricane Maria while also providing jobs and food for the community.
