COMMUNITY IMPACT

Solar Microgrid Lower Energy Costs for Small Businesses

The Sharing the Power Foundation is funding solar and storage microgrids in Dungannon and Duffield. The project in Dungannon will power the town hall and historic depot, while the project in Duffield will power the Appalachian Harvest building.

Richmond Flying Squirrels Go Nuts for Solar

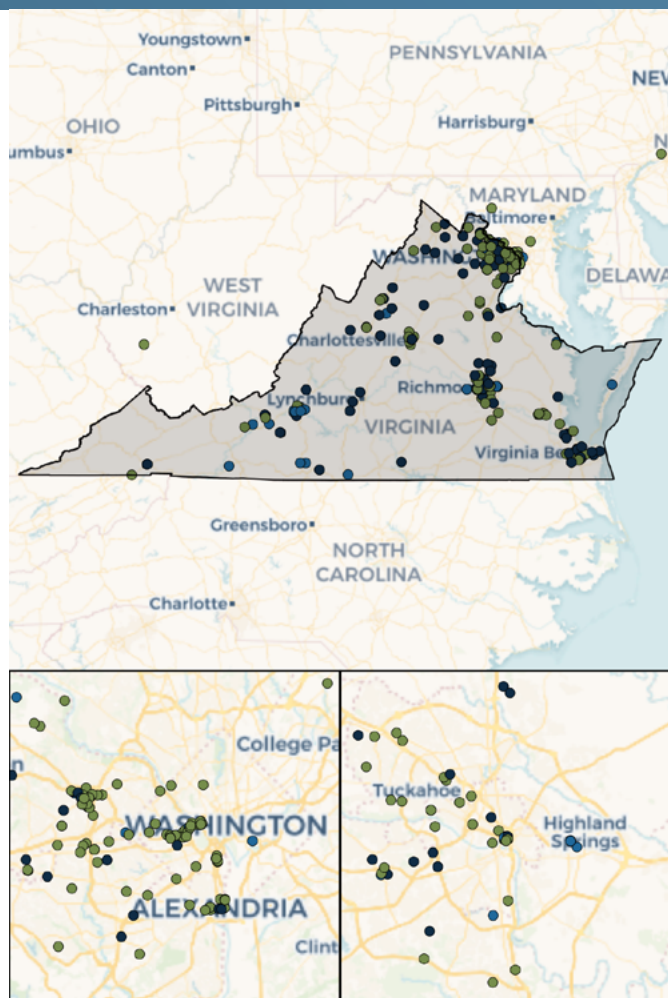

The Richmond Flying Squirrels are adding rooftop solar panels at their new Richmond stadium. These panels will provide reliable and affordable energy to both the ballpark and Virginians.
