COMMUNITY IMPACT

MGM to Power its Hotels with Solar

Even during peak daytime hours, bright flashing casino lights can be powered by solar. The MGM Resorts properties on the Las Vegas Strip are now fully powered by solar during daylight hours.

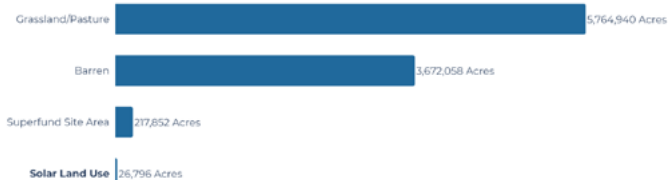

Nextracker Dedicates Second Factory to Make Trackers in Nevada

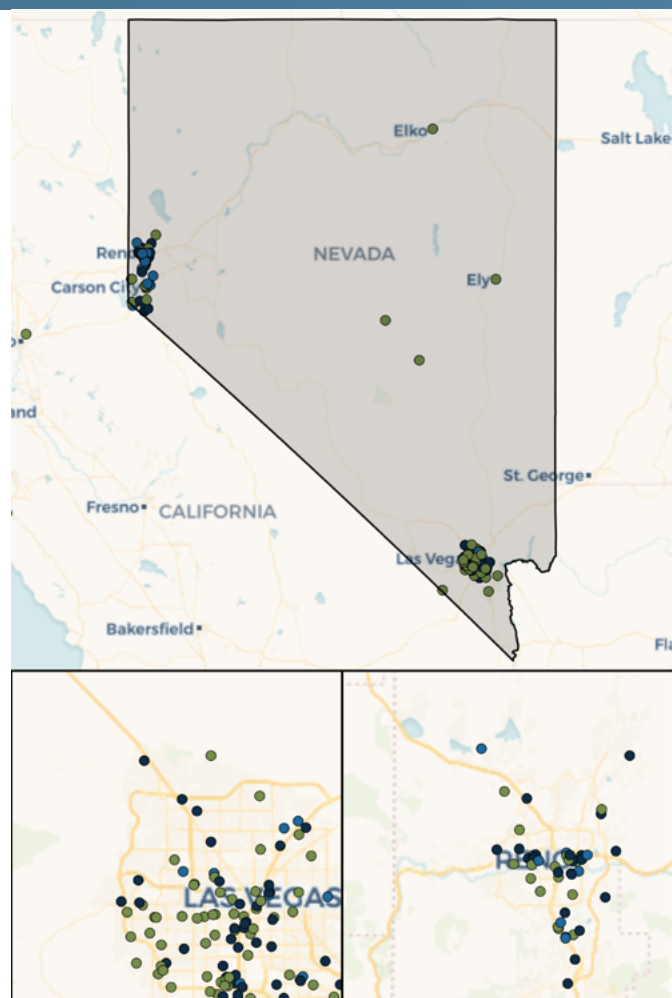

Nextracker and Unimacts announced a new 160,000 square foot torque tube manufacturing line in Nevada. This factory will produce 2 GW of domestically torque tubes.
