# MN SOLAR State Spotlight

**20th** for total installed solar capacity

**4,793** solar jobs across the state

## COMMUNITY IMPACT

### Eden Prairie Fire Station Saves with Solar

A new solar installation on a fire station rooftop in suburban Minneapolis provides a third of the electricity use of the station, saving $5,500 a year and $140,000 over 25 years.

### Solar Powering Savings and Hockey East of Minneapolis

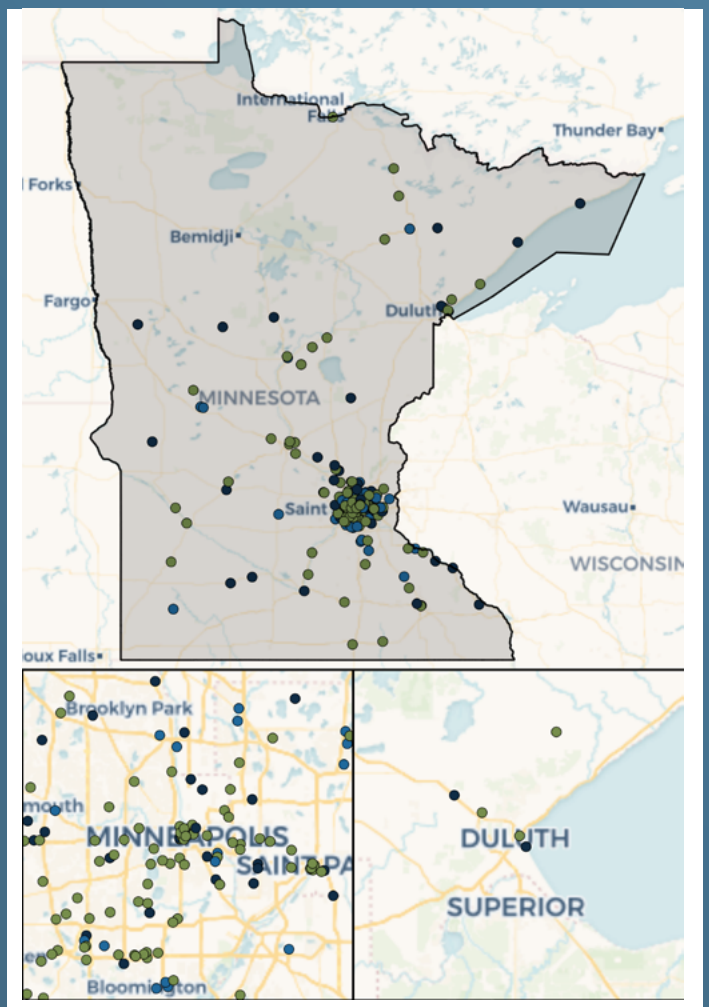

Ramsey County will save $300,000 annually in energy bills through energy cost saving upgrades to its 11 ice rinks, which include installing solar on rink rooftops.
