TO WHOM IT MAY CONCERN,

This is to confirm that the solar energy facility (the "Facility") currently under development by Syncarpha Solar, LLC and Renewable Energy Massachusetts LLC at 0 Delaney Street, Stow, MA has a fully executed purchase power agreement ("PPA") currently in effect with Hudson Light & Power Department ("HLPD"). In connection with the PPA, HLPD and Syncarpha have also executed an Interconnection Agreement setting forth the terms and conditions pursuant to which the Facility may interconnect to the HLPD grid upon completion of construction and all proper testing of the Facility. Please contact me with any questions in connection with the above. I may be reached by email at [bchoquette@hudsonlight.com](mailto:bchoquette@hudsonlight.com) and by telephone at 978.568.8736.

Sincerely,

Brian R. Choquette  
Assistant General Manager
