COMMUNITY IMPACT

Sahuarita School District Saves Thousands with Solar

The Sahuarita Unified School District installed solar panels and it has saved them thousands of dollars. This has helped the school district reroute money to programs that need increase funding, something the school district is very proud of.

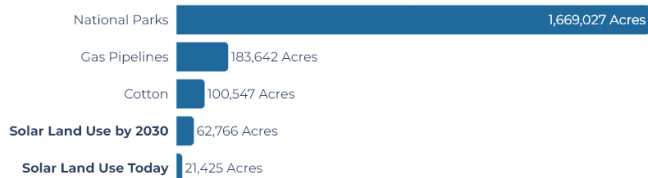

Casa Grande Manufacturer Powered by Solar

Kohler Associates officially inaugurated their Casa Grande facility that will employ 400 people. The facility will have a 21,000 kW solar microgrid and this will allow the facility to run on renewable energy even during cloudy days.
