COMMUNITY IMPACT

Baptist Health Uses Solar to Lower Costs

Baptist Health, the largest not for profit health care in Arkansas, will soon be powered by a 13 MW solar array. This will help the Little Rock medical center lower costs, leading to savings for patients.

University of Arkansas Uses Solar to Save \$125 Million

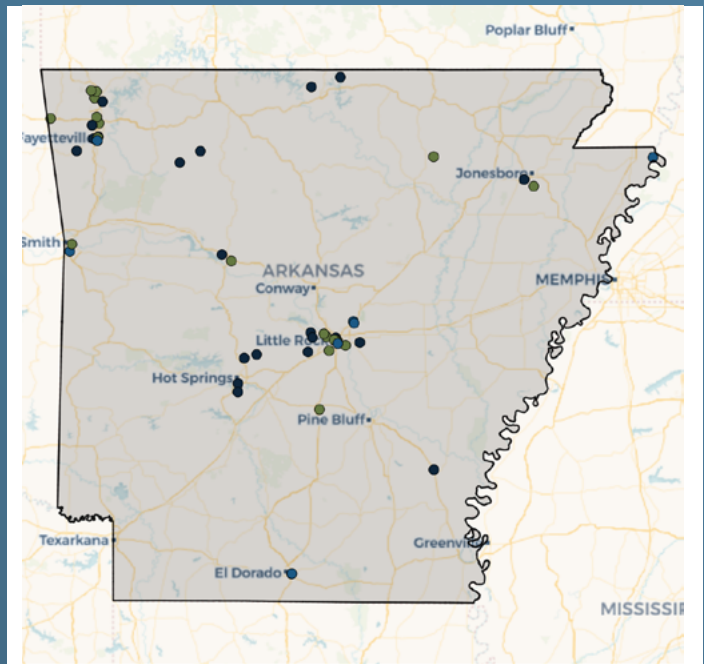

The University of Arkansas is using Arkansas based Scenic Hill Solar to install 18 solar arrays across the University of Arkansas system. This project will save the university \$125 million over the next 25 years.
