COMMUNITY IMPACT

Solar Drops Electric Costs for Low Income Residents

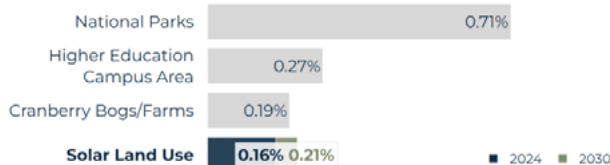

A home electrification program for lower income residents of Cape Cod saw all 55 participating households receive solar, with the average household saving \$150 a month on their bills.

\$880,000 in Savings Coming to Boston Nonprofit

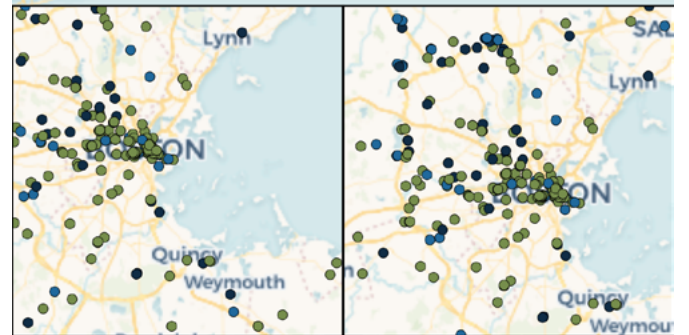

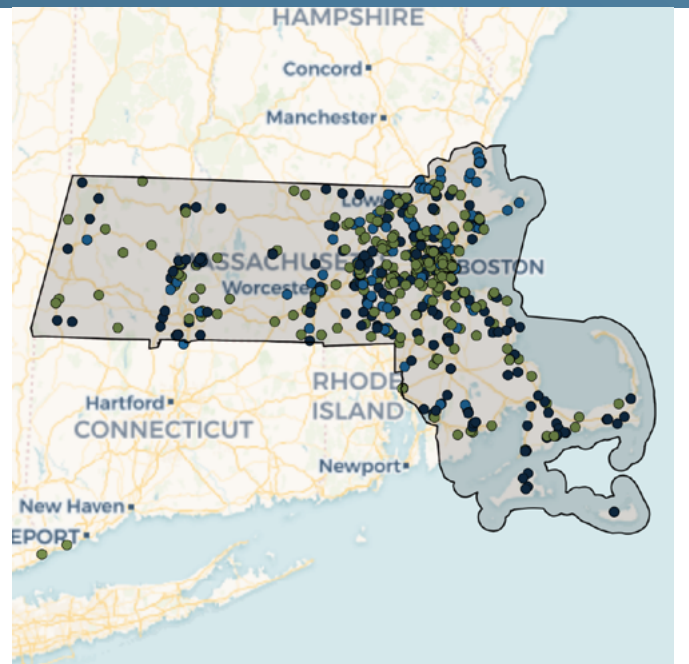

A low income housing complex south of Downtown Boston installed four solar arrays on the rooftop, saving roughly \$35,000 per year in electricity costs and over \$880,000 over 25 years.
