## COMMUNITY IMPACT

### Ford Uses Solar to Power Michigan Assembly Lines

Ford will use solar energy to manufacture all the vehicles it makes in Michigan. The CEO said that this is a strategic investment for the company and represents a bright future.

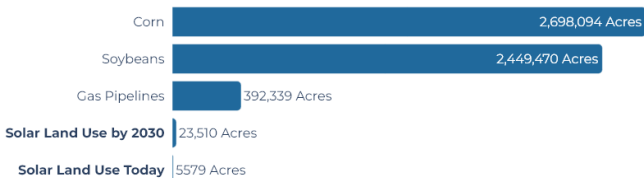

### Okemos Church Saves \$6,000 Annually With Solar

The Presbyterian Church of Okemos installed ground mounted solar arrays. This was possible thanks in part to the Direct Pay provision that is equivalent to the 30% investment tax credit.
