COMMUNITY IMPACT

Solar Project Provides Affordable Power to Wahoo Public Library

A 2 MW solar project will provide electricity to the Wahoo Public Library. The project will provide affordable power to the library, reducing costs for the library and taxpayers.

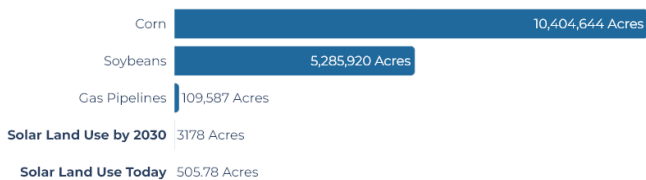

Nebraska Pork Producer Uses Solar to Improve Operations

A pork producer in Northeast Nebraska installed a 300 panel solar array that can meet most of his electricity needs for up to 25 years. He says thanks to the Investment Tax Credit, the project has a payback period of 7 years.
