COMMUNITY IMPACT

Union Township Solar Array Saves Homeowners \$60,000

Union Township activated a 1.7 MW solar array on a factory building. The project will provide low-cost electricity to 260 homes and save the homeowners a collective \$60,000 annually

Solar Leads to Savings for New Jersey School

The Manasquan School District completed two rooftop solar projects that will generate 1.3 million kWh of electricity annually. This will lead to significant savings on electricity costs that can be reinvested into the schools.
