## COMMUNITY IMPACT

### Scottsdale School Charges Ahead With Solar

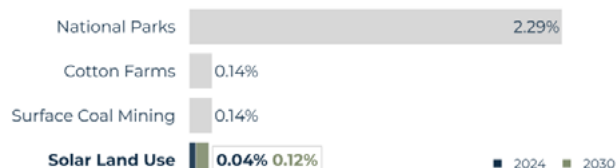

Notre Dame Preparatory High School installed a campus wide solar project that will power the school, providing air conditioning and lighting for some of the brightest young minds in Arizona.

### Casa Grande Manufacturer Powered by Solar

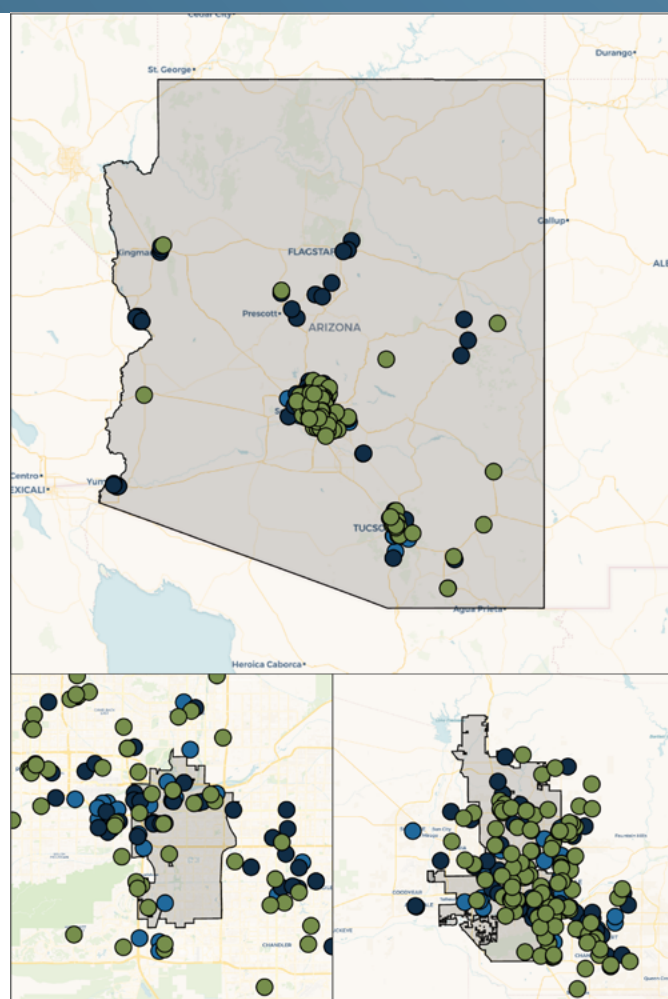

Kohler Associates officially inaugurated their Casa Grande facility that will employ 400 people. The facility will have a 21,000 kW solar microgrid and this will allow the facility to run on renewable energy even during cloudy days.
