COMMUNITY IMPACT

Clearwater Police Training Center Turns to Solar for Reliable Power

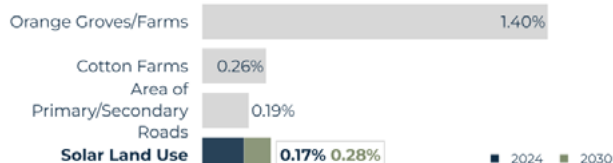

The Clearwater Police Department inaugurated its new District 3 Emergency Operations and Training Center. The center is using solar panels that can withstand a category 5 hurricane and will serve as the headquarters for the city during an emergency.

Florida Uses the Sun to Grow Oranges for Power

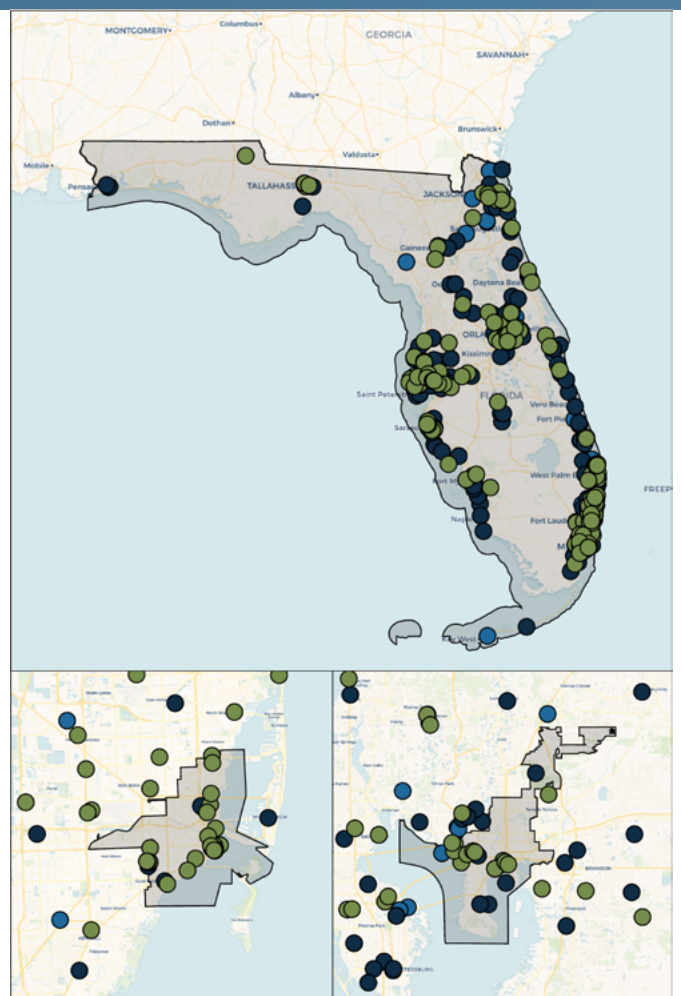

An orange orchard is using a solar array to provide 30% of the power it needs. A company VP said the orchard uses solar to grow oranges, so it makes sense to use solar for power as well.
