## COMMUNITY IMPACT

### Bascom Maple Goes Solar

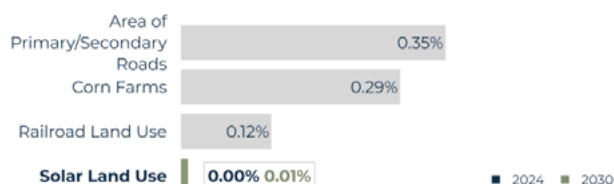

Bascom Maple in Acworth installed a 500 kW solar array. The farm, which produced Coombs Family Farm maple syrup, said the solar array fits in well with the goals of the farm and will lower costs.

### Somersworth Landfill Turns Into Solar Array

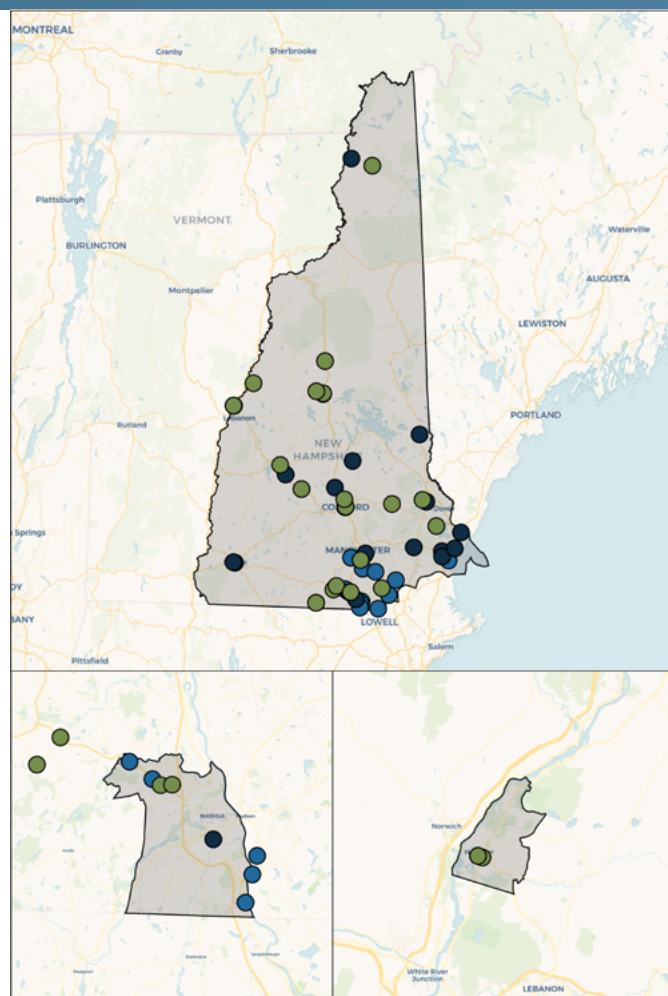

Somersworth added a 2.6 MW solar array onto a former landfill. Prior, the landfill had little use, and now it is providing electricity to the city and \$2 million in economic benefits.
