COMMUNITY IMPACT

Levittown Church Saves \$1,000 Annually With Rooftop Solar

UCC Levittown hosted Congressman Brian Fitzpatrick for a tour of their solar powered church. The solar arrays saves the church \$1,000 per year on their electric bill and allows the church to play a role in supporting the community during power outages.

Erie Central Fire Station Turns to Solar for Savings and Backup Power

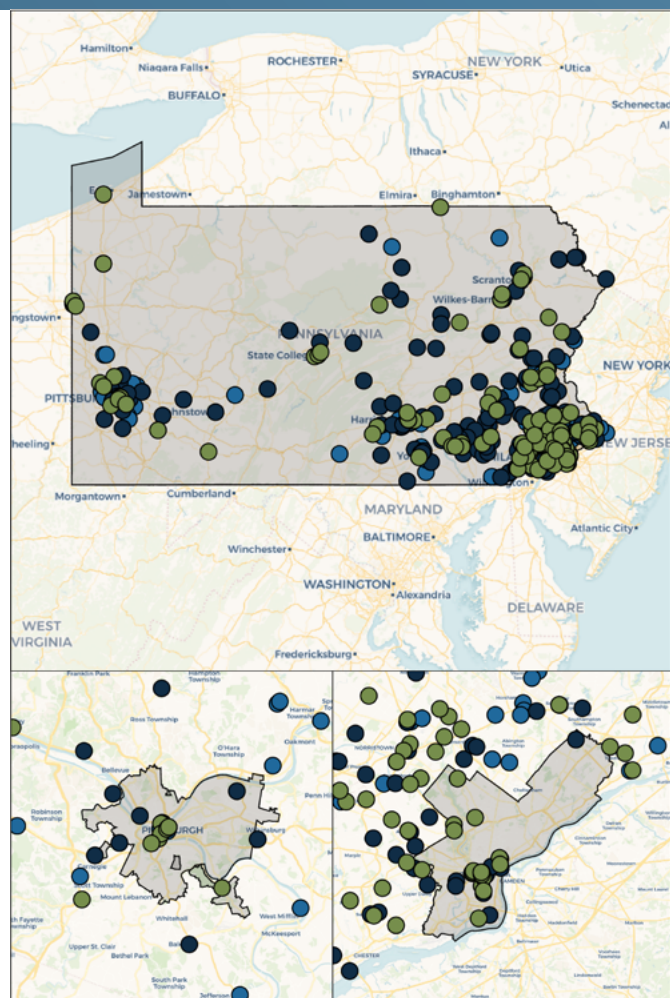

The Erie Fire Department installed a rooftop solar array that generated \$8,500 in savings in the first year alone. The solar array also provides backup power during emergencies, helping the fire department operate smoothly.
