COMMUNITY IMPACT

Puerto Rico Companies Add Solar Plus Storage For Resiliency

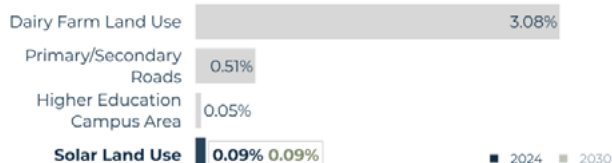

Fourteen companies in downtown Adjuntas have rooftop solar power to help provide reliable electricity. These businesses say the rooftop arrays will help the community during power outages, like what happened after Hurricane Maria.

Eaton Turns on Solar Microgrid at Manufacturing Location

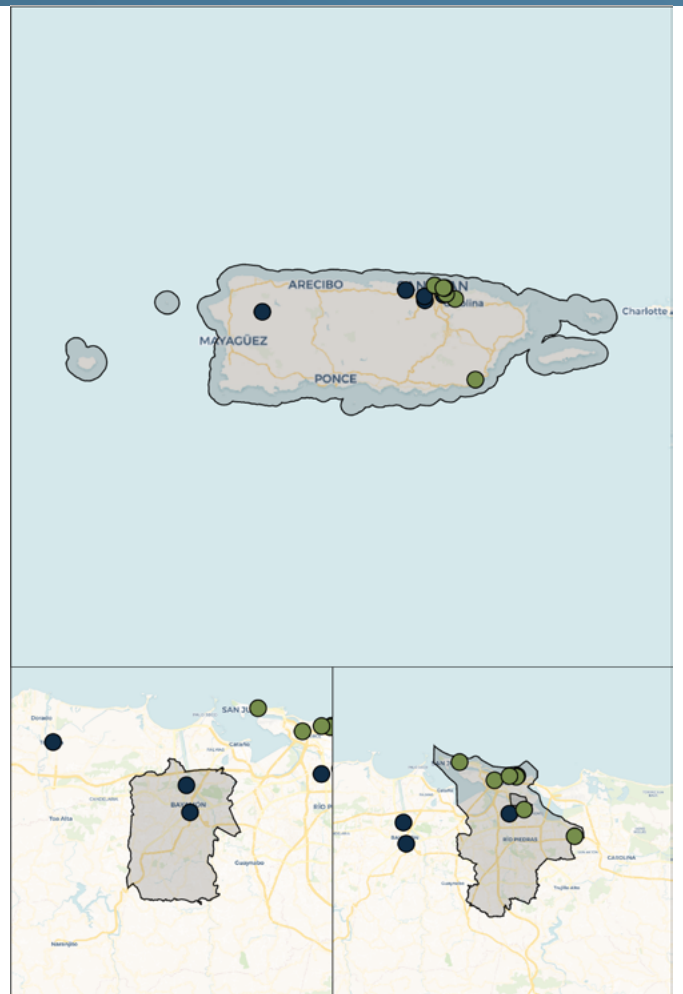

Eaton completed a 5 MW solar project to pair with a storage project at its manufacturing location in Arecibo. This won International Energy Project of the Year and lowers energy costs for the factory by 20%.
