## COMMUNITY IMPACT

### Illinois Hog Farm Commissions 3 MW Solar Project

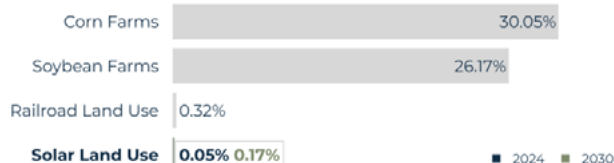

A hog farm in Griggsville installed a 3 MW solar array that will lead to \$11.3 million in energy savings over the project's lifetime. This will drastically reduce costs for the farm, passing savings to consumers.

### Alton Steel Mills Now Runs on Solar

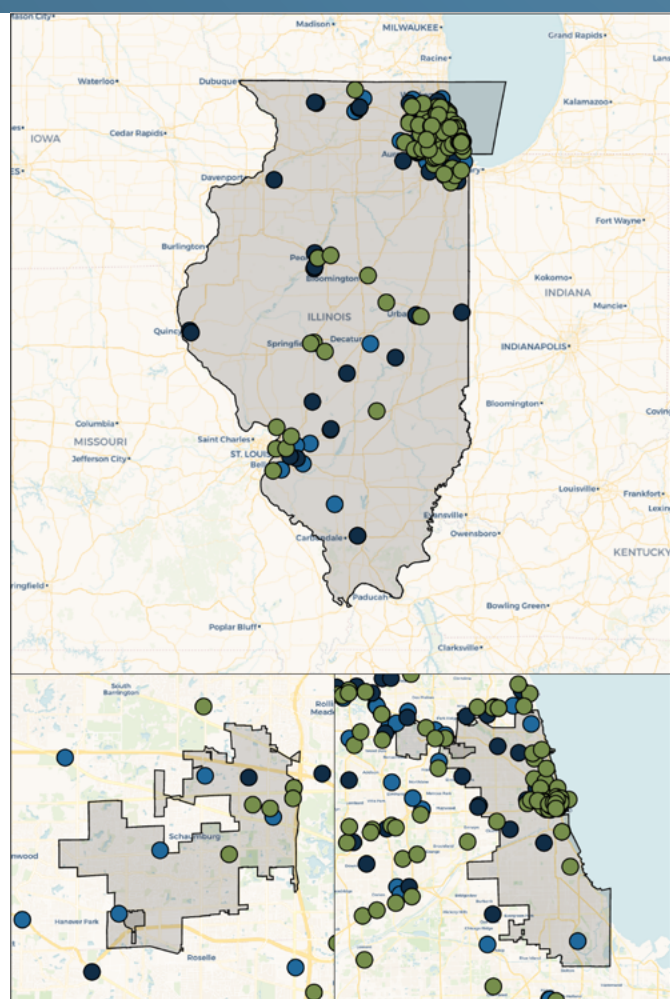

QCells installed solar panels on two Alton Steel mills in Illinois. These arrays will provide 10% power needs for the steel mill and help with their innovative electric furnace.
