## COMMUNITY IMPACT

### Church Shares Solar Savings with Community

A group of faith leaders installed a solar array on the roof of One Hope Community Church, which will produce more electricity than the church uses. The array will help fund annual grants to local families who need assistance paying utility bills.

### Old Landfill Delivers Solar Power in Cumberland County

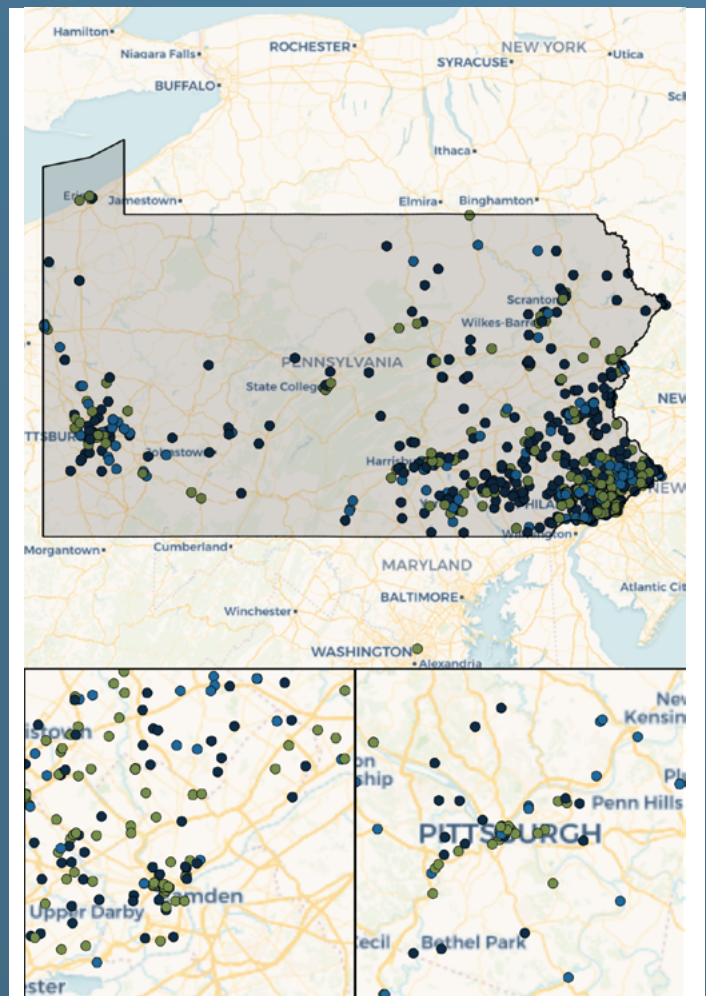

A decommissioned landfill in Enola is seeing new life as a two-plus megawatt solar array, which will rack up \$266k in savings during its first year of operation and \$16.6 mil over 40 years.
